## MSU Policies Related to Title IX

The MSU [Anti-Discrimination Policy](#) and [Relationship Violence and Sexual Misconduct Policy](#) apply to all MSU students, employees, or third-party community members, including Youth Program participants.

Consistent with Title IX, MSU's Relationship Violence and Sexual Misconduct Policy and Anti-Discrimination Policy expressly prohibit discrimination on the basis of sex. The Relationship Violence and Sexual Misconduct Policy provides a procedure for reporting and resolving complaints of sex discrimination (including sexual harassment and sexual assault), which applies to youth program participants.

### What is Title IX?

Title IX of the Education Amendments of 1972 prohibits discrimination on the basis of sex in any education program or activity that receives federal funding.

Discrimination on the basis of sex includes:

- ◆ Excluding, separating, denying benefits to, or otherwise treating a person differently on the basis of sex
- ◆ Sexual harassment
- ◆ Sexual assault

### MSU Title IX Coordinator

MSU's Title IX Coordinator oversees the University's compliance with Title IX, including its complaint procedures, and is available to meet with youth program participants about matters involving sex discrimination.

If a person is unsure about reporting and would like assistance in understanding the options, they may contact a Confidential Resource.

## Michigan State University Anti-Discrimination Policy

- The University Anti-Discrimination Policy (ADP) states expectations for institutional and individual conduct.
- The ADP User's Manual provides further discussion of the definitions of behaviors prohibited by the ADP as well as the relationship between the First Amendment and complaints of harassment/discrimination.
- A detailed description of the ADP can be found at [https://hr.msu.edu/policies-procedures/university-wide/ADP\\_policy.html](https://hr.msu.edu/policies-procedures/university-wide/ADP_policy.html).

Protocol for addressing Bias Incidents, Acts of Prohibited Discrimination/Harassment, and Hate Crimes can be found at <https://oie.msu.edu/assets/documents/bias-incident-reporting-protocols-17.08.01.pdf>

## **Responding to Behaviors that Violate Policies**

If a youth participant is involved with an incident that violates University and/or program policy, program staff will speak with everyone involved to gain understanding of what occurred and will contact listed parent(s), guardian(s), and/or other emergency contact(s) of both the participants responsible for the policy violation and the participants directly affected by the incident. In the instance that participants have violated University and program policies, program staff will connect with the appropriate MSU supervisors and/or authorities to determine the best course of action to resolve the situation, including whether the participant(s) responsible for the policy violation must be removed from the program. If it has been determined that a participant's behavior violates University and/or program policies and requires early dismissal from the program, program staff will make contact with the participant's approved adult contacts, and the parent(s), guardian(s), or emergency contact(s) must pick-up the participant immediately.

If it is suspected that a crime may have occurred, program staff will immediately stop investigating, contact MSU Police, and follow the lead of MSU Police investigators. Should police or emergency response professionals need to make contact with a participant, program staff will make every reasonable attempt to notify the appropriate parent(s), guardian(s), and/or other emergency contact(s) as immediately as possible.

If an allegation of inappropriate conduct including but not limited to abuse, neglect, assault, harassment, sexual assault, sexual abuse, sexual harassment, child pornography, furnishing alcohol, drugs, and/or sexual materials to a minor, and violations of the University's anti-discrimination policy is made against an adult participating in a youth program, including program staff/volunteers, the accused adult will be removed from any further participation in MSU youth programs and activities covered by the MSU Operational Requirements for Conducting University Youth Programs until such allegation has been satisfactorily resolved. Adults may not retaliate against minors, families, parents, guardians, and staff/volunteers who report allegations of inappropriate conduct.

## **Procedure for Early Dismissal**

In the instance that a participant needs to leave either temporarily (i.e.: for an appointment, family event, etc.) or permanently prior to the end of the program, the participant's authorized parent(s), guardian(s), or other emergency contact(s) must complete the Pick-up/Drop-off/Commuter Form and return it to Brad Fast. When the participant is picked up from the program, Hockey camp staff will ask for a photo ID to verify the identity of the adult attempting to pick up the participant. Program staff will only permit participants to be released to individuals who have been authorized by the parent(s)/guardian(s). In the event that an unauthorized adult attempts to pick up the participant, program staff will contact the authorized parent(s), guardian(s), and/or emergency contact(s). In the instance of protecting the safety of all youth participants, local authorities will be contacted if it is deemed necessary by program staff.

In the instance of an emergency or if it has been determined that a participant's behavior violates University and/or program policies and requires early dismissal from the program, program staff will make contact with the participant's approved adult contacts, and the participant's parent(s), guardian(s), or emergency contact(s) must pick up the participant immediately.

## Procedures for Emergency Situations

The MSU Alert System for emergencies sends out notifications via email, text message, and prerecorded phone call. If you would like to receive SMS text messages on your cell phone, you can register your phone information by logging in to our system and adding your number, at <http://alert.msu.edu/>.

In case of a weather-related emergency, (severe thunderstorm warning or tornado warning), everyone should seek shelter in an interior hallway in the basement or ground level of a building, or in the lowest level of a parking ramp away from windows.

In case of other emergencies on campus (accident, medical emergency, suspicious activity, presence of a firearm), the best course of action is to call 911 immediately.

If a “Secure in Place” action is advised (for active violence), you should:

- Lock doors of the room you are in (Main doors of building will also be locked.)
- Close blinds and turn off lights.
- Find a well-hidden and protected area to hide using objects in the room to barricade with or hide behind.
- Wait for the “All Clear” from the MSU Alert System before leaving your secure location.

## Notification Procedures for Emergency Situations

In the instance of a medical or behavioral incident or emergency, program staff will contact the participant’s parent(s), guardian(s), or other emergency contact(s). Program staff will call all listed phone numbers on file until contact is made with at least one of the adults listed on the participant’s registration materials. If emergency responders need to make contact with the participant, program staff will make every reasonable attempt to notify parent(s), guardian(s), and/or other emergency contact(s) as immediately as possible.

Program staff will communicate with participants’ and chaperones’ emergency contacts if an emergency involving either or both parties occur. In the instance that an immediate emergency occurs, program staff may be unable to reach a parent, guardian, or emergency contact to consent for emergency care. If this is the case, the signed medical treatment authorization form gives program staff consent to contact emergency services. In medical emergencies, a staff member will contact local emergency responders, who will determine the best plan for treatment and will continue to attempt to contact the parent/guardian.

## **Guidelines for Contacting Your Participant during Michigan State Hockey Camp**

In the instance that a parent, guardian, or emergency contact listed on file as an approved adult needs to contact their youth participant, please contact Brad Fast in the event you are unable to reach your youth participant. Please understand that in the interest of safety for all participants, program staff will not be able to discuss information about a participant or facilitate contact with an individual who is not listed on file as an approved adult without written authorization from the participant's authorized adult contacts.
